3) The gap at present between the pay of the Head Nurse and of the Matron is very great. The S. S. evidently thinks that the Head Nurse who draws practically the same pay as the Nurses working under her, cannot command as much respect from them, as she would otherwise do, if she were placed in a higher grade.

4) As the minimum pay of the Matron is Rs 150, the maximum pay of the proposed Assistant Matron may be a little lower. The question of placing her in the grade of Rs. 100-5-125 may be considered. If this is done in the case of the Vict: Hospl it will have also to be done in the K.R. Hospl: later.

CHIEF SECRETARY,
25 APR. 1929

To

The Chief Secretary
to the Government of His Highness
the Maharaja of Mysore, Bangalore.

SIR,

I have the honour to state that M. Basamma, Head Nurse of the Victoria Hospital, Bangalore, has been submitting representations for increase of emoluments. The Head Nurse is now drawing Rs.87/- with effect from 6th February 1927, in the grade of Rs. 77-5/3-97. I may note that this scale of pay practically corresponds to that recently sanctioned in case of higher grade Nurses of the Krishnarajendra Hospital, Mysore, and the Victoria Hospital, Bangalore, viz., 70-5/3-90, the extra Rs.7/- being merely the grain compensation allowance added under Government Order No.Fl. C. 6-55/A. & A., 5-21-11 dated the 9th October 1921. As the scale now stands, the Head Nurse of an important institution like the Victoria Hospital, gets no more pay than the other ordinary Nurses placed under her. This is an anamoly which may be rectified.

2. As regards the personal merits of the case, M. Basamma is an experienced Nurse having put in 17 years' of approved service. She is really a very efficient Nurse and the uniformly satisfactory progress of cases after operation is, in no small measure, due to her untiring care and attention. Besides, after a hard days work, she is frequently sent for at all odd hours of the day and night to assist in emergent operations. From personal knowledge, I can also testify to her thorough reliability in sterilising instruments and dressings and in the general maintenance of asepsis. On many occasions she has acted as Matron when that post was vacant.

(2

3. In view of these facts I recommend that the designation of the Head Nurse may be changed to "Assistant Matron" and the pay raised to Rs.100-10-150, with effect from 1st June 1929. I request that the Comptroller may kindly be authorised to provide for the revised scale in the Budget for the coming year.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subba Rao.

Offg. Senior Surgeon.

SIR,

With reference to your letter No.G. 14588 Med. 255-28-2 dated the 5th June 1929, I have the honor to state that I agree ~~that~~ that the conversion of the appointment of Head Nurse into that of Assistant Matron in the Victoria Hospital, would lead to a similar change in the Krishnarajendra Hospital. I therefore propose that two appointments on Rs. 100-5-125 may kindly be sanctioned, one for the Victoria Hospital and the other for the Krishnarajendra Hospital. This involves no additional expenditure over that entailed in having one appointment on Rs. 100-10-150, as originally proposed by me.

I may note that Mrs. J. Vaughan, the Head Nurse of the Krishnarajendra Hospital has put in a service of 11 years and is drawing the same pay as Basamma.
